EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT LISTS OF ALIEN ARRIVALS

The immigration act requires that Lists or Manifests (Forms A and B) be prepared for all aliens who arrive at ports of the United States from foreign countries, and that the information called for by the various headings of these Lists or Manifests should be given in the order indicated, as far as practicable. The numbers at the top of the columns are merely for convenience in referring to the columns, and need not be printed. In the case of a family, the name of the father should be given first, followed by the name of the wife and then by the names of the children; if there are servants, their names should follow those of the family. If a child has been born on board ship, the word "infant" should be entered in column 2, and the name of the child in column 3. If a person dies on board ship, the word "deceased" should be entered in column 2, and the name of the deceased person in column 3. If a married woman is joined on board ship by her husband, the fact should be noted in column 3. Each entry should be legible and complete, and no blank spaces should be left except when absolutely necessary.

Special attention is called to the distinction between race and nationality, which must be carefully observed. A person's race and his nationality are entirely distinct things. For instance, a native of Germany is a German by nationality, but may belong to any one of several races, as Hebrew, Bohemian, Negro, etc. Persons of the same race may belong to entirely different nationalities. Thus, a native of Ireland may be an Irishman by nationality, but belong to the Celtic, Anglo-Saxon, Hebrew, or some other race. An alien who is Irish, German, or Hebrew by race should properly enter under the heading of United Kingdom or Germany or Russia by nationality. In like manner, the heading of United Kingdom or Africa (black) contains no nationality. In these columns, therefore, instructions should be specially observed.

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban, not Negro.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, whether coming from Africa or other places in the West Indies, Northern, South America, Europe, or Asia. Any alien whose appearance indicates African descent should be classed under this heading.

PEOPLE, NOT RACE

The [illegible] who come from [illegible] Russia, Austria-Hungary, Germany, and other countries of Europe, should be classified according to race, as Hebrew, Bohemian, Magyar, Polish, Slovak, Lithuanian, Finnish, Dalmatian, Bosnian, Servian, Croatian, Slovenian, Ruthenian, Montenegrin, Herzegovinian, Roumanian, Bulgarian, Dalmatian, Moravian, Wendish, Dalecarlian, Carpathian Russian, Turkish, Armenian, Georgian, Greek, Syrian, Arabian, Persian, Afghan, Hindu, Pathan, Kashmiri, Japanese, Chinese, Korean, Filipino, Indian, Pacific Islander, East Indian, Burmese, Malay, Singhalese, Siamese, and Australian. Persons coming from countries not mentioned in this list should be given the race designation which is commonly given to them in their native countries.

CITIZENS OF THE UNITED STATES

The people who are now citizens of the United States comprise those born in the United States, including Alaska, Porto Rico, Hawaii, and the Philippines, except children born abroad whose parents are temporarily residing there, and descendants of persons who have never lived in the United States; those who have been naturalized, including those who have taken out their first papers and secured certificates of declaration, and those who have resided in the United States for a sufficient length of time and have complied with the requirements of the naturalization laws to entitle them to become citizens although they may not have received their certificates of naturalization.

Column 1. *Family number.* The entry in column 1 should indicate the members of each family by a number, beginning with "1" for the first family listed, "2" for the second family, and so on.

Column 2. *Last name.* The entry in column 2 should show the surname or family name of each alien.

Column 3. *Given name.* The entry in column 3 should show the full given name or names of each alien, and initials should not be used except when they form part of the name as recorded at birth.

Column 4. *Whether a citizen of the United States.* The entry in column 4 should be "Yes" or "No" to indicate whether or not the alien is a citizen of the United States.

Column 5. *Age at last birthday.* The entry in column 5 should show the age of each alien at his last birthday prior to the date of sailing. Children born on board ship should be returned as under 1 year of age.

Column 6. *Married or single.* The entry in column 6 should be "married" or "single," as the case may be, to indicate the conjugal condition of each alien.

Money brought by the head of a family should not be distributed among the several members of the family.

Column 7. *Whether able to read.* The entry in column 7 should be "Yes" or "No" to indicate whether or not the alien can read.

Column 8. *Whether able to write.* The entry in column 8 should be "Yes" or "No" to indicate whether or not the alien can write.

Column 9. *Whether able to read and write.* The entry in column 9 should be "Yes" or "No" to indicate whether or not the alien can read and write.

Column 10. *Occupation.* The entry in column 10 should show the occupation of each alien having one, specifying the trade or profession to which he belongs. Laborers, without specification, should be so described.

Column 11. *Final destination.* The entry in column 11 should be the city, town, or village in the United States which the alien intends to make his home or permanent residence.

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address.* The entry in column 12 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 7 to 12. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500-A, and 1500-B, new numbers 500, 500-A, and 500-B), so far as it relates to alien arrivals (excepting those in transit and tourists), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation (trade, profession, or kind of work) of each alien arriving. Such terms as Civil engineer, stationary engineer, locomotive engineer, mining engineer, marine engineer, steel worker, iron molder, wood turner, or other indefinite designations.

A distinction should be made between *laborer* and *farm laborer*, as required in the amount of money shown, as follows:

A farmer is one who owns a farm, whether he cultivates it or not.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should insist that the occupations of the passengers be given correctly, and should be made, if necessary, by inspectors and agents during the personal examination of aliens arrival.

Column 7 (Able to read and write).—Children 14 years of age and over, unless obviously unable to read and write, should be entered Yes or No. Persons who can read but not write should be entered Yes—No (can read but not write).

Column 8 (Nationality).—The country to be returned in this column is that to which the immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of this sheet.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and agents in charge in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" means native Africans (Negroes), whether coming from Cuba or other islands of the West Indies, or South America, Europe, or Africa. An alien whose appearance indicates mixture of white and black blood should be returned under this heading.

TURKISH.

The people who were formerly subjects of the Ottoman Empire, but who, since the formation of certain portions of Turkey in Europe into separate States, have become subjects of those States, should be returned as "Turkish, race."

HEBREW.

The people formerly residing in Palestine, scattered throughout the countries of the earth, and their descendants, no matter in what country born, or of what nationality, should be returned as "Hebrew, race," irrespective of religious tenets followed. Under this heading should be returned such races as Polish Jews, Russian Jews, German Jews, etc.

Columns 10 and 11.—The entry in column 10 should show the last permanent residence of the alien, and in column 11 the place (city or town and State or country) of birth.

Columns 12 and 13.—The entry in column 12 should be either Yes or No, and in column 13 should be either Yes—No (can read but not write).

Columns 14 and 15.—The entry in column 14 should be either Yes or No, and in column 15 should show the name of the nearest relative or friend whom the alien intends to join, together with his name and complete address.

Money brought by the head of a family or group should be distributed among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether the alien has ever been in the United States before, and if so, the year or period of visit and place (as 1893–96, Philadelphia).

Column 17 (Ticket).—The entry in column 17 should show whether the alien has a ticket reading beyond the port of arrival. The entry in column 16 should show whether the alien has relatives or friends to whom he is going, and if so what relative or friend, with name and complete address.

Columns 18 to [illegible].—The entries in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A and 1500 B; new numbers 500, 500 A and 500 B], so far as it relates to arrivals, including the seven transit and tourist, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 9, by a short phrase indicating briefly the subject to which it relates.

Column 3 (Age). The record of age, in column 3, should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either "M" (male) or "F" (female).

Column 5 (Married or single). The entry in column 5 should be either "M" (married) or "S" (single), "Wd" (widow or widower), or "D" (divorced).

Column 6 (Calling or occupation). The entry in column 6 should state, as accurately as possible, the occupation, trade, or profession of each alien, as "laborer," "servant," "Civil engineer," "stonecutter," "tailor," "clerk," "merchant," "tinner," "blacksmith," "polished steel polisher," "cabinet maker," "wood turner," "machinist," "compositor," "pocket cutter," "turner," or other definite designation.

A distinction should be made between persons who can read and those who cannot read, as to the amount of money shown, as follows:

A farmer is one who owns a farm and cultivates it himself.

A farm laborer is one who works on a farm for another person who owns it.

Steamship companies should require that the information, the accuracy of which they guarantee, should be made, if necessary, by interpreters, on the vessel, before sailing, by personal examination of alien arrivals.

Column 7 (Able to read and write). Columns 7, 8, and 9 require to be answered therein should be either Yes or No. Yes (or read and write), No, No (can read but not write), or Yes, No (can read but not write).

Column 8 (Nationality). The entry in column 8 is intended to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and revising clerks in this regard. For instance, "France" appearing on a manifest as nationality necessarily means "French" by race or people, and similarly, "England" or "Germany" on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the head of a citizen of United Kingdom or any other country by nationality. In this connection the following points should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, and not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes, whether coming from Africa, either islands of the West Indies, Central and South America, Europe, or Asia. Any race whose appearance indicates African descent should be classified under this heading.

JEWISH.

The term "Jewish" refers to the people of the Hebrew faith, and not to any race. Persons of this race may be of any nationality, as Russian, German, English, etc., and should be classified as to race as "Hebrew."

RACES OR PEOPLES.

The people belonging to the various races, peoples, or tribes of the world are classified in compartments of the list on the reverse side of the manifest, as follows: Mongolian, Caucasian, African (black), Hebrew, Indian, American, Malay, Polynesian, Australian, Basque, Gypsy, etc. Persons belonging to the Aryan race should be classified as "Caucasian," "European," etc.

Column 10 (Last residence). The entry in column 10 should show the country in which the alien last had a permanent residence, as distinguished from a temporary residence.

Column 11 (Destination). The entry in column 11 should show the name of the city, town, or place (city or town if known) in the United States to which the alien is destined.

Column 12 (Whether have a ticket prepaid by self or others, and whether in possession of $50 or more). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether in possession of $50 or more). The entry in column 13 should be made precisely by whom passage was paid, as "by himself," "by father," "by mother," "by other relative, friend, steamship company, etc."

Column 14 (Whether ever before in the United States, and if so, when and where). The entry in column 14 should give a definite answer, Yes or No, and, if "Yes," when and where, if known, as shown.

Money brought by the alien should be classified under the several heads, and not lumped together, as "money in possession," "money with friends in this country," "money to be forwarded by friends," "money to be sent for by friends," "money in bank," "money with relatives," "money with steamship company," etc.

Column 15 (Whether ever in prison or almshouse or supported by charity, and if so, what and where). The entry in column 15 should be "Yes" or "No," as the case may be, and if "Yes," what institution, when, and where.

Column 16 (Whether a polygamist). Every alien is subject to examination by any inspection officer in the discretion of immigration.

The number of the column on the manifest to which special attention is called is followed, in parentheses, in all cases up to and including column 20, to accommodate title indicating briefly the subject to which it relates.

Column 4. Age.—The return of age less than 1 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Steamship companies should require that the information called for by these instructions should be made, if necessary, by persons who are competent to give it during the personal examination of alien arrival.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 2500, 2500 A, and 2500 B, new numbers 500, 500 A, and 500 B) so far as it relates to citizens arriving including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 5 (Age). The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex). The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single). The entry in column 7 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (Calling or occupation). The entry in column 8 should state as definitely and accurately as possible the occupation of each person, if employed, whether skilled or unskilled. Civil engineers, clerks, merchants, manufacturers, and persons having no occupation, such as wives and children, should be so described. Mechanics should be described as bricklayers, carpenters, engineers, machinists, millwrights, plumbers, steam fitters, tinners, weavers, etc., and not simply as engineer, weaver, or machinist, or tinner, or other indefinite description.

A distinction should be made between *capitalists* and *farm laborers*, stating also the amount of money shown, as follows:

A capitalist is one who has money, or means of support, for himself and family.

A farm laborer is one who has no money, or but little, and has no means of support.

Steamship companies should, if possible, obtain this information on the inside of the ticket, and corrections should be made, if necessary, by inspectors and boarding officers, during the personal examination of alien arrivals.

Column 9 (Able to read and write). Column 9 should be answered by the entries Yes or No, and should be either Yes—Yes, can read and write; Yes—No, can read but not write; or No—No, can neither read nor write.

Column 10 (Nationality). Column 10 should be answered to record the country of which immigrant is a citizen or subject and not his country of last permanent residence.

Column 11 (Race or people). The entry in column 11 should show the race or people as given in list on reverse side of this sheet.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised at ports of arrival to correct clerks in this regard. For instance, "France" appears as a nationality classed necessarily as a race. France by race or people, and similarly Russia, comprising many individual classes not necessarily a race, means "France" by nationality. An Irishman who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed.

[illegible]

The term "Cuban" refers both to the people [illegible] the Negroes.

[illegible]

"West Indian" refers to the people of [illegible] Negroes.

[illegible]

"Spanish-American" refers to the people of Central and South America of Spanish descent.

[illegible]

"African (black)" refers to the Negroes [illegible] Cuba, other islands of the West Indies, Central and South America, Europe, or Africa. Any descendant of these races, whether born in the United States or elsewhere, should be classified as African (black).

[illegible]

The people who are [illegible] Turkish Empire, including Armenians, Greeks, Hebrews, Syrians, and other races residing in Turkey, should be described as natives of Turkey, and not by their race, as Armenian, Greek, Hebrew, Syrian, or Turkish, but as "Italian (north)." [illegible]

[illegible]

The people who are natives of [illegible] Great Britain, including England, Scotland, Wales, Ireland, Canada, Australia, New Zealand, and other British possessions, should be described as natives of Great Britain, and not by their race, as English, Scotch, Welsh, Irish, Canadian, Australian, New Zealander, or British, unless they are natives of Ireland, Canada, Australia, New Zealand, or other British possessions.

Column 12 (Last residence). The entry in column 12 should be the name of the country of last permanent residence of the alien, whether it be the country of which he is a citizen or subject or not.

Column 13 (Final destination). The entry in column 13 should show the name of the city or place, state, or country of final destination.

Column 14 (Whether going to join relatives). The entry in column 14 should be either Yes or No, and should be answered Yes only when the alien has stated definitely that he is going to join relatives.

Column 15 (Relatives and friends). The entry in column 15 should show definitely by whom passage was paid, whether by relatives, friends, employers, or others, and if by friends, state the friends' relationship, if any.

Column 16 (Whether in possession of $50 and how much). The entry in column 16 should be made as follows: Yes—No, and if so, the amount of money shown.

Money brought by the head of a family should be regarded as the property of the several members of the family.

Column 17 (Whether ever in prison, almshouse, asylum, or hospital; what and where). The entries in column 17 should be Yes or No, the United States being excepted, and if so, the years and places should be stated, as "Yes—1903, Philadelphia."

Column 18 (Whether a polygamist). The entry in column 18 should be Yes or No, and if so, what relatives or friends he came to join, if any.

Column 19 (Whether an anarchist). [illegible] subject to revision by any inspection officer in the examination of aliens.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification. The number of the column on the manifest sheet in these special instructions and on the manifest, in parentheses, is added, reading column to be described with indicating briefly the subject to which it relates.

Column (—). — The entry of age in column 4 should be expressed in years or months, the latter applying only to children under 1 year of age.

Column (—). — The entry in column 5 should be either M (male) or F (female).

Column (—). — The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column (—). — The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as "farmer," "civil engineer," "shoemaker," "tailor," "mason," "painter," "carpenter," "machinist," "steel polisher," "iron molder," "wood turner," "cook," "waiter," "engineer," "clerk," "laborer," "tanner," or other definite designation.

A distinction should be made between *farmers* and *farm laborers*, and the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for a farmer or other person.

Steamship companies should apply this distinction to the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examination of alien arrivals.

Column (—). Able to read and write. — Column 13 is subdivided, and the entry should be either Yes—Yes (read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column (—). Nationality. — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column (—). Race or people. — The entry in column 9 should show the race or people given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finance" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially noted:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 500, 500A, and 500B, now numbers 500, 500 A, and 500 B, as far as it relates to aliens intending to become residents and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and followed, in parentheses, by all above up to [illegible] column, in brackets, applying to it, indicating briefly the subject to be written or stated.

Column — Age. — The number of years of age [illegible] should be expressed, in years or months, the latter applying only to those under 1 year of age.

Column — Sex. — The entry is to be made "Male" or "Female."

Column — Married or single. — The entry is to be made "Married" or "Single," "Widowed," or "Divorced."

Column — Calling or occupation. — The entry in column 5 should also aim to give, accurately as possible, the occupation of each person arriving. Do not simply write "Laborer." Civil engineer, shoemaker, tailor, seamstress, engine driver, machinist, farmer, farm laborer, steel polisher, iron molder, wood worker, etc., and not simply engineer, shoemaker, tailor, tinner, or other indefinite designations.

A description should be made, whenever [illegible] and correct, in one of the following forms, the account of money shown, as follows:

Column — Race or people. — The entry in column 9 should show the race or people [illegible] given in [illegible] on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.
